DC30670-00

NEW
Product

Rib Contractor - L : 210 mm

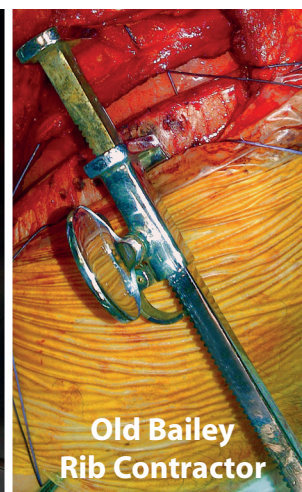

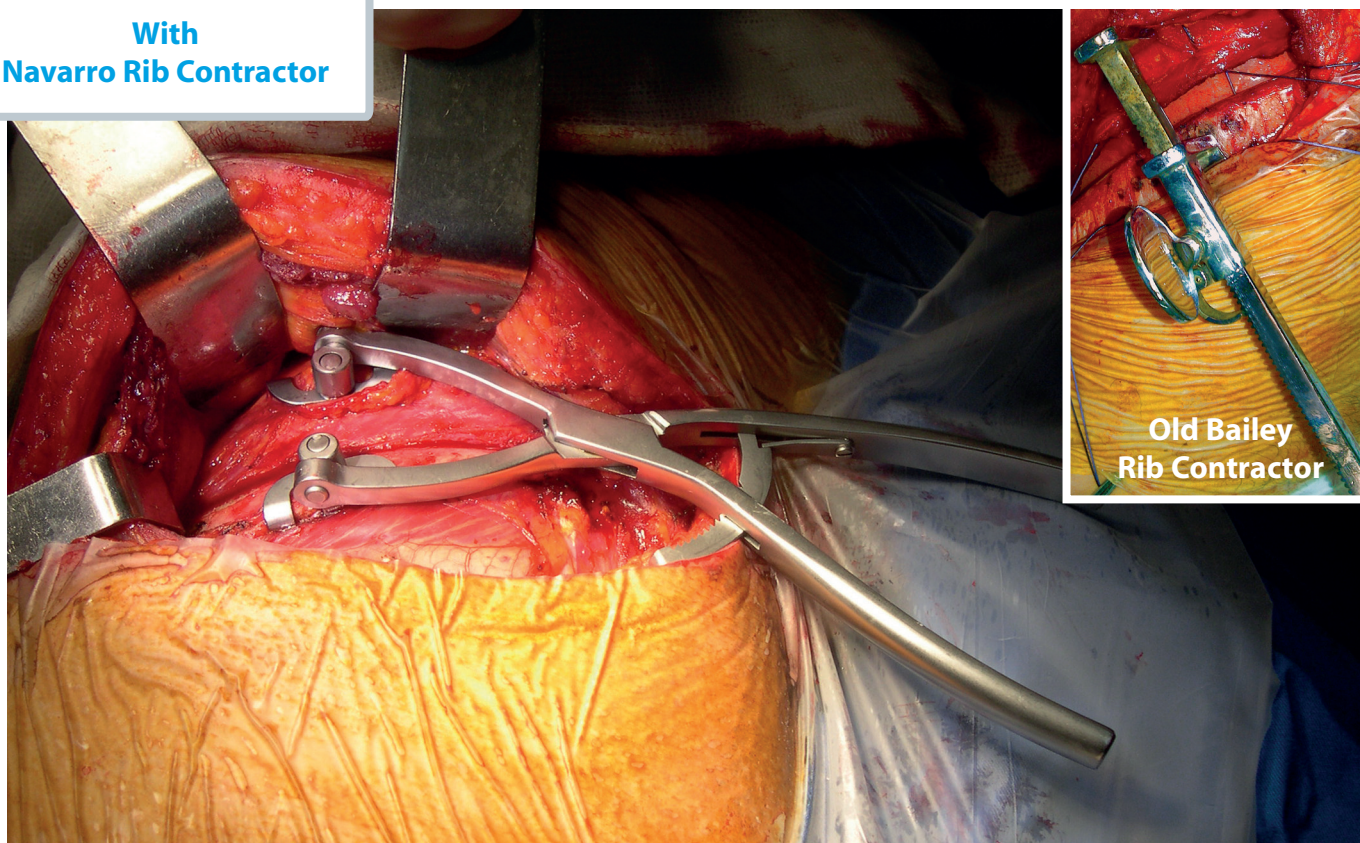

- ✖ Widens the contact length between the rib piece of the instrument and the rib itself,
- ✖ Avoids damage of the neurovascular and intercostals bundle,
- ✖ Makes easier to insert and remove,
- ✖ No interference while tying pericostal sutures: the handle can be moved from one side to the other side of the blades.

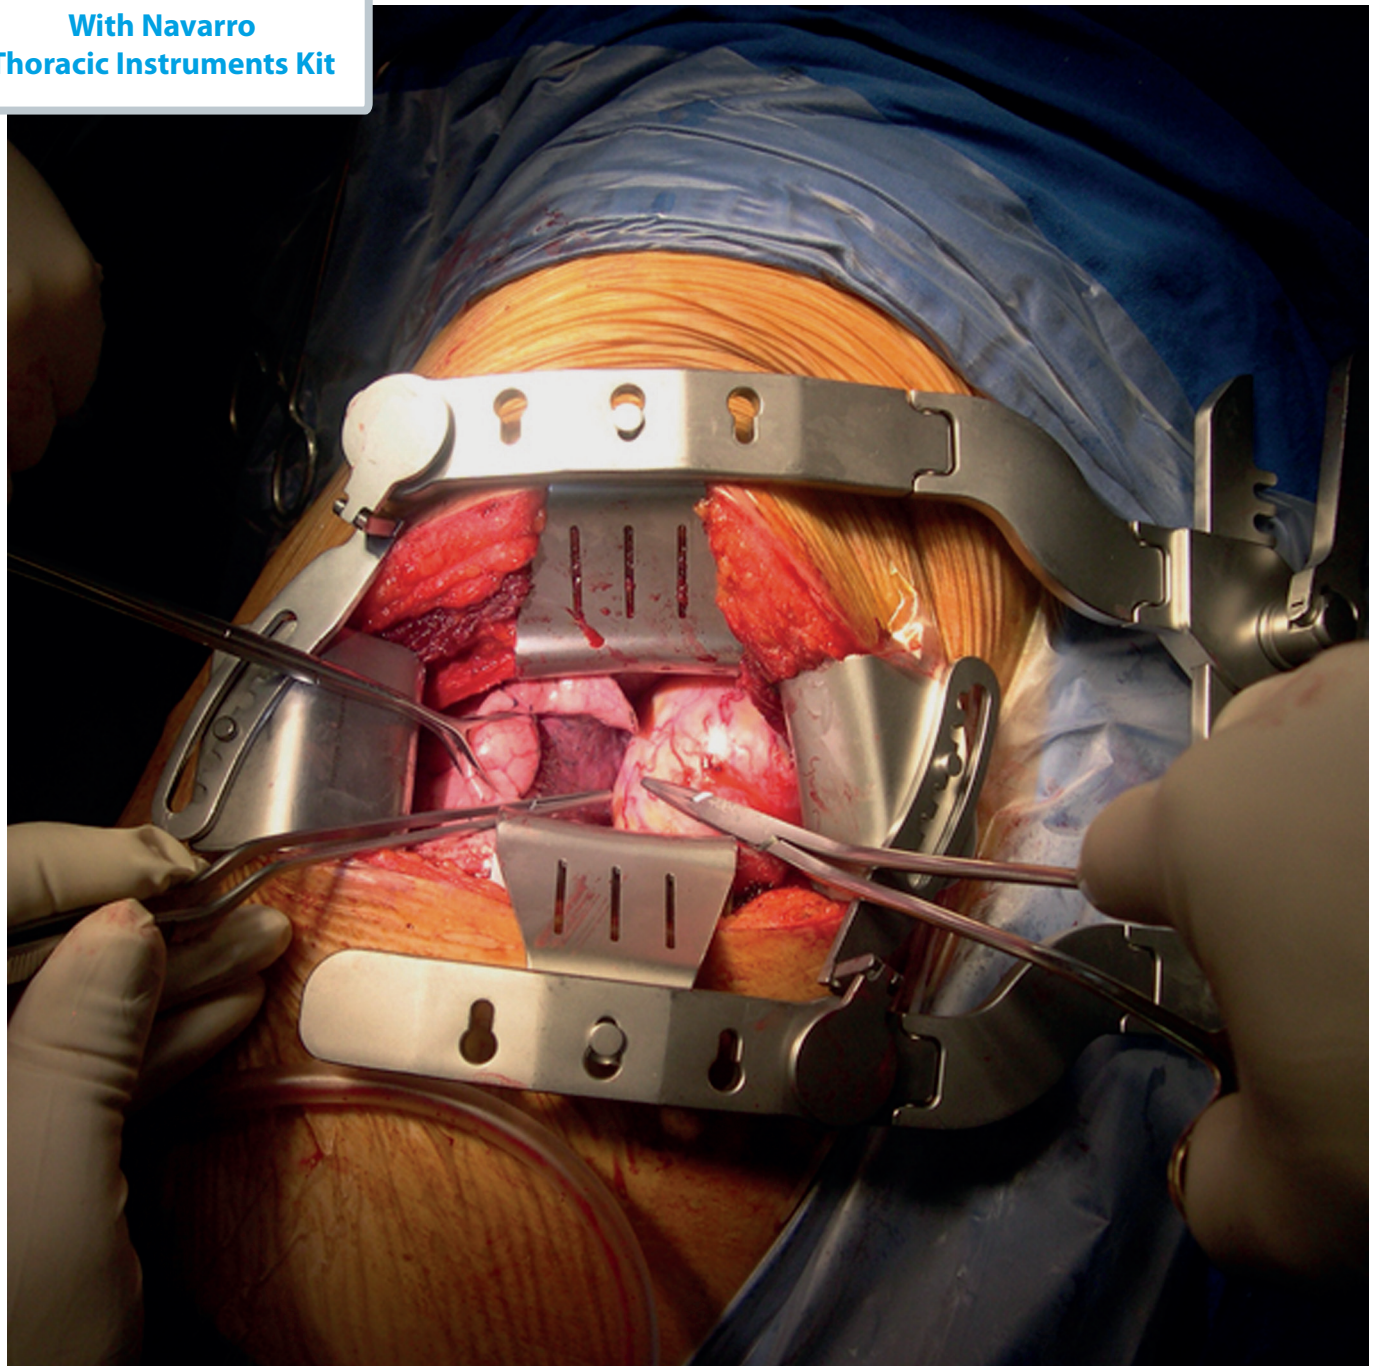

DC30670-00

a : 30 mm - b : 15 mm - c : 65 mm
